
SCHOOL LOCATION for 2026, Yay!!!!

Dear _____,

We are so grateful for God's help and leading!

Thanking God for...

- Peace about a school location! This has certainly been a daily step of trusting God, asking for His guidance, and watching for God's providential leading.
- Seeing clear ideas in the Spirit of Prophecy to include in a practical Bible training school for the glory of God.
- People willing to donate to the school's various projects in big or little ways.
- Seeing the eager desire of people wanting to grow closer to God and attend the school.

Yes, I believe in what God is doing and
want to help Teleo moving forward in
2026.

- The future students to be able to attend.
- Supporting students that badly want to come and don't have the funds.

Yes, I'd love to sponsor a student for the 2026 school term.

though we could only attend the final month, we were welcomed with open arms into the class. One major takeaway would be the concept of "running to Jesus" for everything. We better understand God's true character and how important it is to speak faith and speak belief despite our feelings. We are glad to have had the opportunity to come to Teleo.
